NIAGARAUSA

Come to Niagara Falls, USA!

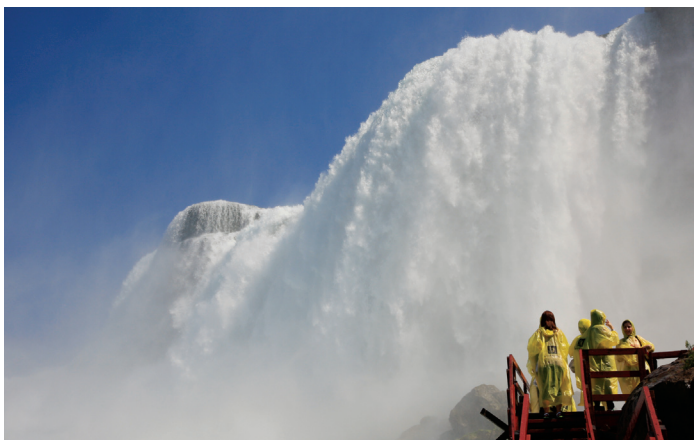

SEE & DO:

At **Niagara Falls State Park** you can enjoy our most famous attractions and take in the beauty of Niagara Falls, New York. The **Maid of the Mist** is a boat tour that brings you up close and personal with the mighty Niagara Falls and you can't get any closer than the **Cave of the Winds** where you can actually touch the Falls! Try your luck at the **Seneca Niagara Casino** just blocks from the state park. If shopping is part of your itinerary, **Fashion Outlets of Niagara Falls USA** will have what you're looking for! North of Niagara Falls is **Old Fort Niagara**, the site of historic battles since the 1700's, the Fort is an exciting place where the past

lives on. A great place for a relaxing ride and meal is **Lockport Locks & Erie Canal Cruises in Lockport**. Dine before or after your cruise along the Erie Barge Canal and be lowered and raised 49 ft. on the only double set of locks still in operation today. Feel like a kid again while riding a 1916 wooden carousel at **Herschell Carrousel Factory Museum** in North Tonawanda where the Wurlitzer Band Organ plays while you ride. A short drive south will bring you to the **Buffalo & Erie County Naval Park** home to the USS The Sullivans, USS Croaker & USS Little Rock. Right across the street is the **Ira G. Ross Aerospace Museum** where you can view a Bell Model 47 helicopter (the first commercially licensed), Bell Rocket Belt and a 1910 Curtiss Pusher replica.
